After the program the children will be asked to sit down and are called up individually to receive their **Spring Show medal and T-shirt**. Don't forget your camera and camcorder! There will be an area in the gym for you to take posed pictures.

- Please arrive ten minutes prior to your child's show time to get checked in and ready for the show.
- Family members are welcome to come and watch – **Admission is Free!**
- For everyone's safety, **NO** siblings or parents are allowed on **ANY** of the gym equipment at **ANY** time. Siblings must be supervised at **ALL** times. Thank you for your help.
- We set up chairs in our big gym for **families to come in and see the action up close** or spectators can view from the upstairs lobby.
